

## **What Is a Miracle?**

**Gregory Liberman**

### **What is a miracle?**

A miracle is the \$20. you have found on the ground two days before the rent is due.

### **What is happiness for me?**

The answer is very simple: It's quiet relaxation, and an uncomplicated life, just like it is for my cat.

### **What is meditation?**

It is a special technique by which a person tries to put his mind where it belongs.

### **How did I get fat?**

The most important aspect in marriage is the size of a husband's belly (only kidding)! If a husband cooks or helps his wife to cook, he can say good-bye to being slim.

### **Why does a married man's head still turn when he sees a beautiful woman?**

Since man's nature is to hunt and to search for adventure, he is always looking for something new. This sometimes causes him to end up divorced.

### **What do flowers mean to me?**

They remind me of my childhood. In the beginning, a flower seems like a beautiful thing, but it ends up being an old dry stick.

### **Why are do's and don'ts so important?**

These two words indicate obligations; *do* and *don't* push us to move our lives forward.

### **What is simplicity, and how does a person acquire it?**

Simplicity is actually very complicated, and to acquire it, a person has to have a lot of patience.

### **How long can a person keep active?**

A person can keep active as long as he remains calm, eats well, and gets exercise.
