

Please correct the errors in the structure and punctuation of questions.

What Is a Miracle?

Gregory Liberman

What is a miracle?

A miracle is the \$20. you have found on the ground two days before the rent is due.

What is happiness for me?

The answer is very simple: It's quiet relaxation, and an uncomplicated life, just like it is for my cat.

What meditation?

It is a special technique by which a person tries to put his mind where it belongs.

How I got fat?

The most important aspect in marriage is the size of a husband's belly (only kidding)! If a husband cooks or helps his wife to cook, he can say good-bye to being slim.

Why a married man's head still turn when he sees a beautiful woman?

Since man's nature is to hunt and to search for adventure, he is always looking for something new. This sometimes causes him to end up divorced.

Flowers: What they mean to me?

They remind me of my childhood. In the beginning, a flower seems like a beautiful thing, but it ends up being an old dry stick

Why do's and don'ts so important?

These two words indicate obligations; *do* and *don't* push us to move our lives forward.

What is simplicity, and how does a person acquire it? Simplicity is actually very complicated, and to acquire it, a person has to have a lot of patience.

How long a person can keep active?

A person can keep active as long as he remains calm, eats well, and gets exercise.
